Fight for Sight works with ShareGift, the charity share donation scheme, to benefit from donations of shares.

ShareGift specialises in accepting donations of shares, especially small holdings of shares which would cost more to sell than they are worth. These donated shares are collected until there are enough to sell, then the proceeds are used to support charities across the UK. By using this donation coupon to give shares, Fight for Sight can benefit from the ShareGift scheme.

Please print out and complete this form and return it to ShareGift with your share certificates. ShareGift will send you the relevant transfer form to sign and return to them.
